

shrink ing from the world When si lence reigns o'er lawn and

Sea Then dearest love I watch for thee I watch I

watch Thendear est love I watch for thee I

watch I watch Thendear est love I

watch for thee .

2

I watch for thee when eve's first Star
 Shines dimly in the Heavens a far
 And twilight mists and shadows grey
 Upon the lakes broad waters play
 When not a breeze or sound is heard
 To startle evening's lonely bird
 But hush'd is even the humming Bee
 Then dearest love I watch for thee .
 I watch I watch etc .

I WATCH FOR THEE

A Favorite Schuade

Arranged for the Guitar
